

Limitations, Terms and Conditions

A Gemcamp Laboratory Report is comprised only of the described attributes belonging to a submitted article after it has been completely subjected to a cumulative examination, namely testing, grading and analysis by a resident gemologist assigned by Gemcamp Laboratories Group, Inc., utilizing the instruments and methodologies required by the company at the time and date of the article's examination.

The findings of other procured examinations completed on the article may possibly differ from the data on this report depending on (1) the exam date, methods of testing, and specific examiner(s) of the article and (2) the progressive changes and improvements in technical practices, gemological knowledge and instrumentation that may have developed over the course of time which may enable the tester to identify, the usage of procedures for changing the internal and external characteristics of an article which were previously undetectable by our laboratories, or changes which became partially or completely reversible, even if the procedures involved remain indiscernible.

Future scientific advancements may allow detection, observation and classification of certain characteristics in an article that at the time of this report's creation, could not have been done or anticipated by experienced gemologists or gemological equipment. Neither clients, recipients nor any purchaser of the article is to regard this report as a statement of guarantee.

Gemcamp Laboratories Group, Inc., its employees and all affiliates involved do not claim representation or warranty towards this report, the contents described within or any additional editing made post-issuance.

Our limitations, terms and conditions apply to reports that are given in any format, whether in print, digital media or purely verbal disclosure.

The extensive evaluation and issuance of detailed reports for a comparatively minute charge relative to the current and potential monetary value of a submitted article by our laboratories, can only be accomplished because the Gemcamp Laboratory Report is strictly subject to the terms, conditions and limitations listed on each individual document regarding the liability of the company, as well as any additional restrictive limitations stated in any signed client agreements by which the Gemcamp Laboratory Report prerequisites to be issued, all of which extend to the client for whom the report was prepared for, as well as to individuals or groups to whom the report or the article is distributed, traded or presented to:

(a) GEMCAMP LABORATORIES GROUP, INC., ITS EMPLOYEES AND ITS AFFILIATES ARE NOT TO BE HELD IN LIABILITY FOR ANY POSSIBLE DAMAGES, LOSSES OR EXPENSES RESULTING FROM ANY OMISSION FROM, ADDITION ON OR ERROR IN THE GEMCAMP LABORATORY REPORT OR FROM THE ISSUANCE OF OR USE OF THE REPORT AND ITS FINDINGS, EVEN IF THE DAMAGES, LOSSES OR EXPENSES WERE CAUSED BY GEMCAMP LABORATORIES GROUP, INC. OR ANY OF ITS EMPLOYEES OR AFFILIATES AND (b) IN ANY GIVEN EVENT, GEMCAMP LABORATORIES GROUP, INC., AS WELL AS ITS EMPLOYEES AND AFFILIATES ARE NOT TO BE HELD IN LIABILITY FOR SPECIAL, DIRECT OR INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY, STATUTORY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS, AS A RESULT FROM ANY ERROR IN, OMISSION FROM, OR ADDITION ON THE GEMCAMP LABORATORY REPORT OR FOR THE ISSUANCE OF OR USE OF THE REPORT, OR FOR ANY INSCRIPTION OR EDITING CAUSED BY THE ACTS OF EXTERNAL PARTIES OR INDIVIDUALS, EVEN IF ADVISED ON THE POSSIBILITY OF SUCH OCCURRENCES.

Any markings, symbols, words, or characters present as an inscription on the article are solely under the responsibility of the client for whom the report was produced and are neither connected to nor to be recognized as a determination of any findings by our laboratories unless otherwise officially specified.
